

Chance for Childhood – Complaints Policy

1. Introduction

Receiving feedback and responding to complaints is an important part of improving Chance for Childhood's accountability and we welcome that feedback so we can be better. Ensuring our stakeholders can hold us to account will improve the quality of our work in all areas.

2. Who does this apply to?

This policy applies to Chance for Childhood and is global in its application. A complaint can be made by any supporter, partner organisation, community or individual with whom we work, or any member of the public whether an individual, company or other entity, in the UK or anywhere else in the world.

3. Definition of a complaint

A complaint is any expression of dissatisfaction, whether justified or not, about any aspect of the charity and its conduct. A complaint can be received verbally, by phone, by email or in writing. A 'formal complaint' is a written complaint that is made that is clearly identifiable as a complaint. This policy does not cover complaints from staff, who should use the Discipline and Grievance policies.

A complaint is not:

- A general inquiry about Chance for Childhood's work
- A request for information
- A contractual dispute
- A request to amend records e.g. to correct an address, cancel a donation
- A request to unsubscribe from a Chance for Childhood's service e.g. a campaign newsletter or email

The complaints procedures do not apply to complaints that are subject to current investigation by any regulatory body or other legal or official authorities in the UK or other countries in which we operate. Such issues will be dealt with by the relevant regulatory body.

4. Who can make a complaint about Chance for Childhood?

A complaint can be made by:

- Any supporter
- Partner organisation
- Community or individual with whom we work
- Any member of the public whether an individual, company or other entity in the UK or around the world.

5. Who is not covered by this policy?

Complaints by staff are governed by Chance for Childhood's procedures for dealing with problems in the workplace and Whistleblowing Policy. Complaints relating to serious incidents such as fraud and corruption or safeguarding concerns will be dealt with through the relevant policy and procedures.

6. How to make a complaint

It is hoped that most complaints or concerns about Chance for Childhood's work or behaviour can and will be dealt with informally by staff or volunteers at a local level. However, it is recognised that not all issues can be resolved in this way and that a formal complaints mechanism is required for those occasions when an individual or organisation wishes to make their complaint a matter of record and to receive a formal response.

All formal complaints should be made in writing via post or email either directly from the individual or organisation making the complaint or via someone acting on their behalf. See below for details about to whom to address a complaint. We will acknowledge and provide an initial response to your feedback within 14 days of receiving it.

Whilst we expect to be able to resolve most complaints within that timeframe, if we need to conduct a more in-depth investigation, we will aim to provide you with a full response within one month. If we are unable to meet that deadline due to exceptional circumstances, we will let you know.

7. Confidentiality

All complaint information will be handled sensitively, telling only those who need to know and following any relevant data protection requirements.

8. Complaints Process for Supporter Care/Fundraising
